## Reviewing this document

We will review this TMD within one year from the effective date to ensure it remains appropriate and in compliance with the objectives, financial situations and needs of the customer.

Furthermore, We will also review this TMD if any event or circumstances (called 'review triggers') occur that would reasonably suggest that the determination is no longer appropriate, such as:

- We make a material change to the cover provided by the product,
- A change in Our acceptance criteria that impacts on the suitability of the product for the target market,
- A material change to the distribution of the product,
- The discovery of a relevant and material deficiency in the product's disclosure documentation,
- Systemic complaints and claims issues which indicate that the product is no longer suitable for the described target market,
- Material and relevant reductions in Our key product suitability metrics such as:
  - Customer satisfaction,
  - Product acceptance,
  - Financial performance,
  - Benefits to customers,
  - Product value and affordability.

We will review this TMD within 10 business days of the occurrence of any review trigger.

## Reporting

We record all complaints received about this product on a monthly basis (Complaints Reporting Period). Our claims administrators are required to provide to Us written details of any complaints about the product they have received during the Complaints Reporting Period within 10 business days of the end of the period.

Our distributors are also required to report to Us if they become aware of significant dealing in this product which is not consistent with this TMD within 10 business days of becoming aware of such dealing.

If the complaints are systemic and indicate that this product is no longer suitable for the described target market, We will review and update the TMD within the timeframe indicated above.

## Record keeping

We will maintain records of the reasonable steps We have taken to ensure that this product is sold in a manner consistent with this TMD.

We will also prepare and maintain complete and accurate records of Our decisions and the reasons for those decisions, in relation to:

- All target market determinations for this product,
- Identifying and tracking review triggers,
- Setting review periods, and
- Any other matters documented in this TMD

## Appendix

## Chase Underwriting Pty Ltd Group Personal Accident Insurance Suitability

The Chase Underwriting Pty Ltd Group Personal Accident Insurance has been designed to enable employers to purchase accident and sickness insurance for a group of nominated persons (the nominated persons are employees and referred to in the policy as covered persons). Benefits can be tailored to meet the needs of the group of employees. This product provides employees with financial protection in the event of bodily injury and/or sickness that temporarily prevents a covered person from earning an income (temporary disablement). The product also provides a lump sum benefit to employees or their estate, to compensate for accidental death and/or an accident that causes permanent disablement.

### ✓ This product is suitable for:
